

What I'll Do For You by Mike Adams (Capo 1st)

(Intro) G-----D-----C-----G-----G-----D-----C--D--G-----

(Verse 1)

I'll brew the coffee... while you sleep...

And guard the secrets, that you keep.

I'll learn the songs... you love, to hear...

To chase away, your every fear.

(Chorus)

I'll give you all the heart I own.

So you are never left alone.

I'll build a fire, to keep you warm.

And be your shelter, in the storm.

(Verse 2)

I'll stand by you... through every fight...

And be the one who leaves on light.

I'll plant a garden, just to grow.

And follow where you need to go.

(Bridge)

It's not just talk... it's what I'll do—
My life is better shared with you.

(Verse 3)

I'll hold the map... if you get lost...
And help you pay the hardest cost.
I'll be the hand... you reach to find
To leave the heavy days behind.

(Chorus)

I'll give you all the heart I own.
So you are never left alone.
I'll build a fire, to keep you warm.
And be your shelter, in the storm.

(Outro)

I'll ...be your strength... I'll ...be your home...
What I'll do for you, baby... ...Is give you all the heart I own.
