

In a Perfect World by Mike Adams (Capo 2nd)

Intro G-----D-----Em-----C-----

Verse 1

In a perfect world... no hearts would break...
No dreams would fade... no souls would ache...
But here we stand... beneath these skies...
Learning truth... through tear-filled eyes.

Chorus

In a perfect world... we'd never fall...
Never lose the ones we love... at all.
But every scar... has something to say...
It made us who, we are, today.
Maybe grace is found... where broken hearts heal...
Maybe love is strongest... when it's real...
I wouldn't trade... this life I've learned... for a perfect world.

Verse 2

I've walked through fire... I've worn regret...
Found some peace... I won't forget...
The road was hard... but now I see...
It brought me here, it set, me free.

Bridge
