[Verse 1]

[G] C D G---C---
I had a plan, a steady hand... ...Then you came through.
G Em C G---C---G
Now I'm sitting in this cell... ...All because of you.

[Chorus]

Love made me crazy... Love made me fall.
Em C G---C---G
Now I've got nothing... Nothing at all.
Em C
Would I do it again? God help me, it's true.
G---C-----G
I'd lose it all... ...Because of you.

[G] C D G---C---
I knew better, crossed the line... ...threw it all away.
G Em C G---C---G
Now your face is all I see... ...every single night and day.

[Bridge]

Love don't follow rules... Love don't care what's right.
It just burns and burns... Till you're out of light.

[Verse 3]

They ask me was it, worth the cost... ..I can't answer true.
'Cause everything I had is lost... ..But I still dream of you.

[Outro Chorus]

Love made me crazy... Love made me fall.
Now I've got nothing... Nothing at all.
Would I do it again? God help me, it's true.
I'd lose it all... ..Because of you.
All because of you... All because of you.
Yeah, I'd lose it all... ..Because of you.
