Verse 1

C Em
We come in with nothing... just a breath and a cry.
F C
Spend our lives... chasing reasons why.
C Em
Working for tomorrow... reaching for more.
F C
While life's little treasures... walk right through the door.

Chorus 1

C Em
Life is funny... when you think it through.
Am F
We come with nothing... got something to prove.
C G
Fight for everything, try to make it our own.
F G C
Then leave this world, just as we, came alone.

Break C---------Em---------Am---------F

Verse 2

C Em
We trade our time... for a little more pay.
F C
Put off the good stuff... for another day.
C Em
Then the years roll by... like a passing train.
F C
And we learn what matters... can't be bought or claimed.

Chorus 2

C Em
Life is funny... now I understand,
Am F
You can't take your riches... to the promised land.
C G
All that matters... when the day is done...
F G C
Is the love you gave... ...and the hearts you've won.

Bridge

Am Em
So hold them close... say what you feel.
F C
The love we give... is the only thing real.
Am Em
Let the money go... let the years roll on.
F G
What we leave in hearts will carry on.

Chorus 3

C Em
Life is funny... but the truth is clear,
Am F
We spend our lives chasing what disappears.
C G
We came with nothing... and nothing we own...
F G C
But the love we leave... is the wealth we've sown.

Outro

C Em
We come with nothing... we leave the same.
F G C
Just love behind us... ...and a remembered name.
